

PUTNAM COUNTY HERALD.

VOLUME XIV.

COOKEVILLE, TENNESSEE, THURSDAY, OCTOBER 12, 1916.

NUMBER 41

GRENVILLE, N. MEX.

Dear Editor and the Herald Family: Will you allow me space in your valuable paper for a little chat? How are you, one and all? I am getting along fine. Am now in the school business trying to behave myself the best I can, teaching a school near Greenville. This is certainly a fine, level, pretty country, about 6000 feet above sea level, and a cool country it is. We have already had two little snows. They tell me there is only two months without frost. They raise lots of cattle here. Farming is fine, but the seasons are very short sure, while they make lots of every thing, and make it so easy. You can wear a coat here most any day in the summer with comfort.

This, of course, is new country. The people are certainly sociable and well to do. They are improving very rapidly. Many live in their under ground houses, but are coming out in their nice, new houses every year.

People take great interest in school work and they are soon going to have fine schools for they have a good deal of money and pay very good wages for teachers. While its true every thing is high here and it costs some thing to live.

Anyone wanting to locate in a country where they can build themselves up with the country can't very well beat this, for there is a demand for good teachers. And another thing, if you like to dance, be sure and come for they have them almost every night. We have a lot of pretty girls that can ride these Western ponies and dance. My, it's a sin to the cats! Now of course, some of these things I don't like very much, but can't help it. For everything, I like Tennessee the better, while a young man can make more money here in the West. Mexicans and white people go to school and associate with each other. Soon as I get my debts paid, and in shape I mean to come back and finish my college course anyway.

Any of you Tennessee boys wanting a fine looking Mexican girl, come out, and I'll give you one of mine. By the way, they are pretty, too, but I love the smiles of the dear Tennessee girls. With best wishes to one and all.

A. C. WHITEFIELD.

Newspaper advertising is the most effective method of reaching any community. This has been proven and is conceded by thousands of the most successful business firms of the country.

BLOOMINGTON SPRINGS, R. 1
Hello, Mr. Editor—Health in this community is very good. Building houses seems to be the go now. Mr. Barkin Daws and brother are building a new house. The big meeting is progressing nicely at Carlsruhe Chapel.

Mama said if any of her old school mates were still living around Baker's X Roads for them to write to her. Said Mercy Howe and Francis Talen were her schoolmates, and if they are still alive, to write to the Herald or to her one. Her address is Baxter, Tenn., Route 1. Rev. W. M. Dinges raised her.

Come on with your letters, Lola Lee! Best, they are nice, but I have changed my name since I wrote to the Herald last.

So, Prof. R. L. Richardson, how are you getting along with the school? I never shall forget the happy hours around the little school of Ensor.

AMANDA DAWS.

BAXTER, ROUTE ONE
Health is very good here. Farmers are busy in their cane. Wife visited her sister Mrs. Boma Morpew and family last week.

Ensor school is progressing nicely under the management of R. L. Richardson and Miss Effie Gentry.

Mrs. Scarlett is very low with heart trouble. Hello, Mammie Roberson, why don't you write to the Herald?

Baskin Daws and wife spent Saturday night with her father and mother Mr. and Mrs. G. J. Bryant.

Lola Lee West, come on with your letters, they are fine. Mr. Monroe Alcorn and Miss Mollie Elrod were married last Sunday. I wish them a long and happy life.

Hello, Aunt Patsy Roberson, why don't you write to the Herald? Mama said to tell uncle George Roberson.

MAGGIE BRYANT.

DETROIT, MICH.

Dear Editor—As I haven't seen any thing from this place will jot down a few lines, having many dear friends back in old Tennessee.

I left Tennessee on Dec. 27, 1910, came to Howell, Ind., and from there to Evansville; from there to Detroit. So I think I am here to stay. But, oh! it gets cold here in winter. I have been told that the thermometer registers 22 below in the coldest weather, and you readily understand that is cold.

I am employed by the Packard Motor Car Co., of this place. I am now rated at 42¢ per hour. We work nine hours per day. Packard employs 27,000 men. Detroit is the 5th largest city in the U. S. at present, and the home of 44 auto manufacturing plants. The principal industry of the city is auto manufacturing. Boys, if you fellows were up here and see some of the sights you would never go back to Tennessee again.

The Ford Auto Co. runs three shifts a day, eight hours, he pays every man \$5.00 for eight hours, but a man can only get a position with the Ford providing he is out of employment. So if any of you boys would care for any information regarding this town, I would be glad to accommodate you. So will close by giving the editor my best regards, also my father and mother's family. I remain,

JOHN O. WARREN,
110 Grandy Ave., Detroit, Mich.

EAGLE PASS, TEXAS

Dear Herald Readers—It has been some time since you had a line from me, so if the kind editor will spare me a little space, I will try to give you the happenings on the Mexican border. I was released from the regular army the 19th of last January and was out seven months lacking a few days. Was recalled to the army the 15th of August and sent to Eagle Pass Texas. This place isn't so bad as long as you stay on the U. S. side of the border, but if you go across, it is good night.

We had two soldiers to go across the river and one was found next day with his ears cut off and head caved in floating down the Rio Grande. The other one they never heard of. The duty of a soldier here is pretty hard, the climate being so hot and we having to do guard each other, night. You carry 300 rounds of U. S. army rifle cartridges, and take it from me they are heavy and you have to sleep with them around your waist, and your gun beside you. Believe me, I have enough of the Mexican border.

I would be glad to hear from any of the Herald readers. My address is Co. C, 3d Inf., Eagle Pass, Texas.

HAVILAND, KAS., R. 1
Sowing wheat is all the go now. Everything is fine and dandy out here now. We have had a good rain.

Hello, Ensor folks. How are you all? I would be glad to see you all. Ova Ensor, I will answer your letter soon. Coozie Thompson, when are you and Carrie Daws going to get married and come to Kansas. Pony Thompson visited the writer last Sunday and the wind was blowing so hard it blew the top of his cap off, ha, ha!

He said he didn't mind the weather if the wind doesn't blow, but it has been blowing at the rate of 75 miles an hour for five days.

Mr. and Mrs. Phyllis Allison and family visited the writer the other Sunday. Estus Bandy and Pony Thompson said they would be happy in Kansas if they had them a cook. Pony Thompson made a flying trip to Kinsley the other day. I think Miss Mandy Williams will be to Hooker, Okla., to live soon.

Mr. and Mrs. James Braiden visited Mr. and Mrs. Sid Williams last Sunday and report a nice time.

Gorda Carrington, why don't you answer my letter? I would be glad to see you all. Martha Scarlett, have you ever got married yet? Why don't you write to the Herald? Hello, you Tennessee girls, you need not look for Wade Dunavin for he has got a Monday in Kansas. Hello, Martha Lettich, I would like to see you.

AVA CAMPBELL.

If you want to vote in the First district of Putnam county Nov. 7, you will have to register next week.

A DOUBLE WEDDING

Halle—Hutcheson,
Cummins—Hutcheson

A double wedding of much interest to their many friends was that of Miss Norma Maude Hutcheson, of Cookeville, and Mr. Hubert Harris Halle, of Flynn's Lick; and Willette Narcissa Hutcheson and Dr. John Oliver Cummins, both of Cookeville. The wedding took place at high noon, Wednesday, Oct. 11, at the home of the brides' parents, Mr. and Mrs. Thomas Alfred Hutcheson, in the presence of only a few members of the immediate families.

The house was beautifully decorated with autumn foliage and potted plants. The brides were attractively dressed in dark blue tailored suits, and wore corsage bouquets. The ceremony, by Bro. W. L. Karnes, was short and impressive.

The brides were attractive and accomplished young ladies. Mr. Halle is the son of Mr. and Mrs. Frank Halle, of Flynn's Lick, Jackson county, and is a business partner of his father, who is a prominent merchant and farmer. Dr. Cummins, who is a rising young dentist of Cookeville, is the son of Mr. and Mrs. J. H. Cummins, the father being a successful farmer and the owner and director of Cummins' Mill.

The two couples left immediately on an eastern trip. On their return, Mr. and Mrs. Halle will be at home to their many friends at Flynn's Lick, Tenn. Dr. and Mrs. Cummins at 108 East Broad St., Cookeville.

BLAIR HARRISON, Co. Agent.
WANETTE, OKLA.
As I haven't seen anything from Health is very good in this part of the community. Cotton picking seems to be the order of the day in this part, as everybody seems to be picking. Cotton is 15½ cents a lb. lint.

Welby Cossey drives toward J. V. Henry's home every Sunday evening, wonder why, Ollie? Ha, ha!

Benton Henry and family visited the Conley home Sunday. Mrs. Mary Conley is almost blind.

Misses Ollie and Della Henry visited Mr. and Mrs. Riley Henry Saturday night.

Thilmon Henry is still bending his head toward Wanette every Sunday evening. Wonder who is entertaining him. Ha, ha!

Riley Henry and family visited J. V. Henry's home Sunday night.

I am going to ask for a shower of birthday cards Oct. 13. I will be well I am not out of my teens, but between 14 and 19. I want to see if any of my old friends and relatives have forgotten me. The one missing my age and sending the prettiest card will receive my photo. All cards and answers. Address,

DELLA HENRY,

IF IT EYES WITH PROPER GLASSES

There is only one kind of glass, or lens, that your eyes require. Any other kind is apt to do them an injury.

I fit each eye separately by unerring tests that reveal every defect. My knowledge of the human eye is sufficient to insure that you receive the glasses that you need.

Let me examine your eyes—there is no charge for advice—and my charges for glasses are as small as the cost of glasses and frames you require will permit.

LADIES' AID SOCIETY

Mesdames Alex and Charley Reagan entertained the Ladies' Aid Society at the home of the latter, Monday afternoon.

The Aid is taking on new life and as the year advances the attendance becomes larger and larger and each meeting finds either a new member added or an old one renewing her interest, which shows the ladies are realizing their duty.

The next meeting of the Aid will be with Mrs. C. S. Jenkins, Oct. 23, at 2:30 o'clock, at which time the election of officers will be held, as well as some other important business that will come before the meeting, and each member is urged to be present.

During the social hour Miss Rebecca Reagan gave a beautiful musical number, after which a delicious ice course was served by the hostess.

L. F. MILLER, Sheriff

PIEDMONT, MO., R. 1
Health is tolerably good in this community. Cutting cane and gathering corn seems to be the order of the day. There was a sad occurrence last Saturday morning. Mr. Ace Julian took sick about 11 o'clock Friday night, and before 7 o'clock Saturday morning he died. Don't know what the cause was. We have no promise of tomorrow, and so we all ought to be ready when the summons comes, for we don't know when it will come. Wishing you all success,

JAMES SMITH.

NOT THE ONLY ONE

There Are Other Cookeville People Similarly Situated

Can there be any stronger proof of fered than the evidence of Cookeville residents? After you have read the following, quietly answer the question Walter Crawford, telephone line man, Cedar St., Cookeville, says: "Heavy lifting and straining at my work disordered my kidneys. My back ached intensely and I got so sore and lame that I had to lay off from work. I had severe headaches and dizzy spells and the least cold settled on my kidneys, making my back worse. When a friend recommended Doan's Kidney Pills, I got some Wyly's Drug Store. They relieved the pains in my back and put my kidneys in good shape."

Price 50¢, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Crawford had. Foster Milburn Co., Props., Buffalo, N. Y.

BACK FROM SEBOWISHA

I can heartily say, Home again, home again; they can fry fish and squirrel also, but I will eat no more. I knew when Bud Lee began singing and whistling long and lonesome, the jig was up. No more fish frying, no more squirrel skinning, no more groundhog hash.

All right, Bud, I will go with you. We had a bang up time, as long as the crawfish bait lasted. When you go fishing, take crawfish for bait. You need never be afraid of snake bites if you eat fish that is caught with that kind of bait.

I told J. W. Brown—that is Double Springs Jim Brown—that I and Bud Lee could not eat a dozen squirrels, one day. Jim laughed a sarcastic laugh and said, "I bet I can eat that many in six days." Ah, James, James, you never ate many squirrels.

Frank Ward says he can eat more fish than anybody. I believe that I have seen Frank eat fish—it is like putting them in a live box—a little wiggle and they are gone.

J. M. Bradford said he wanted a cat fish, but did not have any scales. Sho, Parker! sho. Marion had been taking crawfish bait, I think.

I feel so good that I wish I would live 250 years anyhow. WE TWO.

EAGO, ARK.

Hello to all the Herald readers this morning. Will you let me join your happy band for a chat? Health is very good in this community, except a few cases of hay fever.

Wake up, you Tennessee people, and give us the news. Hello, Mattie Sutton, how are you? Papa, write a letter to the Herald. I like my new home just fine.

L. C. Woosley's baby has been sick but is getting better. Dentis Blaylock and wife went to Eago last Sunday.

Mrs. Marion Woosley has hay fever and is improving fast. Millie Hill visited Dentis Blaylock the other day.

The school at Mount Hilton closes Friday. Luther Brown went to see his best girl Sunday.

Marion Woosley is out buying timber and won't be back for several days. Come on, Lola Lee West, your letters are just fine.

Abe Kimes is working for Millard Mfg. Co. They will soon have the stove mill ready to run. Billie Read and Marion Woosley went to Snowball last Wednesday.

Vera Lindsey has typhoid fever. Hello, Tiva Clark, how are you? Mr. Bowden from Eula, visited Mill Town today.

A. H. Brown says he is going to buy him an auto, so he can ride over those mountains.

Shirley Brown likes to go to Mr. McCutcheon. Guess he wants a cook. DORA BROWN.

Wyly's Catchy Adv

One of the most attractive bits of advertising of its kind ever done in Cookeville is being done now at the Strand Theatre by Wyly's Drug Store.

The advertisement consists of a short reel of regular moving picture reel and portray cupid shooting into a large heart, breaking it into nine pieces which form into nine small hearts. These nine hearts line up and blend into nine letters spelling "Nunnally's". Around this word is built a large outline heart enclosing this wording:

"Cupid's choice, Nunnally's fine candies fresh daily, Wyly's Drug Store."

Wyly's Drug Store.

Mt. View Lodge No. 179, I. O. O. F. met with the Association of Putnam County I. O. O. F. Lodges on the 7th, inst., at Baxter, with some 75 brothers in attendance. The program for the occasion was observed and carried out. The Grand Secretary entertained the assemblage for about an hour on "Some Reminiscences of Half a Century's Activity in the Order," which was well received. During that time the order has grown from 4,000 members and about 100 lodges to its present proportions. The I. O. O. F. Home was highly extolled by several speakers, clearly showing the great care and attention being bestowed upon the orphans of our deceased brothers.

Bros. Bradford, York, Pendergrass and C. J. Davis, are all understood to be slightly improving.

The initiatory will be conferred at our next meeting, the 14th inst. All that can should be sure to be in attendance. The more one knows of the order, the greater is his zeal for attendance. Come, and learn more.

ELECTION NOTICE

Notice is hereby given that on Tuesday, Nov. 7, 1916, an election will be opened and held at all of the regular voting precincts in all of the Civil districts of Putnam County, Tennessee, for the purpose of electing a Representative from said county in the next General Assembly of the State of Tennessee; a State Senator from this the 10th, Senatorial district; a Representative in Congress from this, the 4th Congressional district; Governor; a Railroad Commissioner for the Western division of the State of Tennessee; and twelve electors for President and Vice President of the United States.
